

THE DEAD RABBIT PRESENTS

Jingle Jangle

ON THE ROOFTOP AT PIER 17

The Dead Rabbit's famed holiday pop-up, Jingle Jangle, is coming to The Rooftop at Pier 17 for the first time ever. This festive experience embraces nostalgic Irish festivities and the magic of the holiday season with warming, seasonal dishes served alongside kitsch-themed cocktails, over-the-top décor, rooftop ice rink, and a Christmas soundtrack with all your favorite hits.

Adjacent to the rink, you can enjoy the Bungalows, heated glass enclosures boasting panoramic views of lower Manhattan and the Brooklyn Bridge. Be sure to bring your holiday cheer, and we'll provide the spirit - whether you've been naughty, nice, or a little bit of both.
